TO WHOM IT MAY CONCERN

JOHN CHARLES COLLIS

John Collis was at Saltus from January 1964, when he entered our Preparatory Department until June, 1974. Academically, he was an above-average student, who worked hard. He passed 8 G.C.E. 'O' level subjects: English Language, Geography, Latin, French, Mathematics, Physics, Chemistry and Biology. He left Saltus to go to the Sixth Form course at Rugby School, England, where I would expect him to do well. If he continues the form and attitude he always showed at Saltus, I would expect him to earn 3 'A' levels and be a very suitable candidate for a good university.

He was, deservedly, well liked by both teachers and students at Saltus. He had the right approach to school, was always well mannered and eager to do well. He never had any trouble fitting in with the rules, written or understood, of the community. In his last year, he was a prefect and handled the office maturely and sensibly.

Without being a games player, he entered into the life of the school fully. He was always around to help with minor matters of organisation and spent a great deal of time behind the stage for dramatic productions in the school. He was also a very useful drummer in the school band.

As a person, I would recommend him wholeheartedly; he has the right approach to life and wants to make a contribution to any community he finds himself in. I expect him to do well, both academically and in life generally.

I will, of course, be happy to answer any further questions.

Dear Applicant:

On behalf of The University of Western Ontario, it is my pleasure to extend to you formal admission to the program(s) preprinted on the enclosed "Offer of Admission" document.

This form is to be used to convey your decision to accept this offer of admission or to alter, if necessary, a previous confirmation. Please complete the form as outlined in the instructions and using the pre-addressed envelope, return it to the Ontario Universities' Application Centre at your earliest convenience. In view of the forecast increase in enrolment pressures in 1976, you should be aware of possible limitations in course availability at registration, or possible cancellation of this offer if acceptance is not confirmed by June 30th. As you will note, this offer is extended on the condition that a minimum average of 60.0% on six Year 5 credits (excluding failures) is maintained.

An important objective of 'Western' is to provide you with an opportunity to grow both intellectually and socially. To help foster that development we urge you to utilize our Academic Counselling Service available from June 14 to August 20, 1976. Any questions you may have about your application, University life, or your program of studies and course registration will be clarified at that time. If you are unable to take advantage of Academic Counselling, information regarding registration will be forwarded to you when we are advised by the Application Centre that you have accepted our offer of admission.

We wish to express our congratulations on your admission to The University of Western Ontario and look forward to welcoming you on our campus. It is our hope that the years which you will spend at 'Western' will be both challenging and rewarding.

Sincerely,
